

VICTORY JUNCTION GANG®

Founded for kids in honor of Adam Petty

Join the Victory Junction Sewing Program

The Victory Junction Gang Camp enriches the lives of children with chronic medical conditions or serious illnesses by providing life-changing camping experiences that are exciting, fun, and empowering, in a safe and medically sound environment.

The Camp was founded by Kyle and Pattie Petty, in honor of their son Adam. VJG is a member of the Association of Hole in the Wall Camps. Actor Paul Newman started the first camp, the Hole in the Wall Gang, in 1988 and has been a driving force in the Association ever since.

Located in Randleman, North Carolina, Victory Junction Gang Camp operates solely on the donations of wonderful corporations, organizations and individuals. Children that attend Victory Junction would not otherwise be able to attend a camp because of their medical needs.

While at Victory Junction, each camper sleeps in a bed that is covered with a hand-made quilt. They also take home a hand-made afghan and a hand-made teddy bear. With plans to serve 9 sessions of week-long stays for 125 campers each summer and various camper weekends, that's a lot of bears and afghans. There is no time like the present to begin making these camp treasures!

Sewing Program

QUILTS

Every camper bed at Victory Junction is covered in a hand-made quilt.

- * The quilts should be patchwork quilts that are made from cotton or flannelette.
- * The quilts should be twin sized or approximately 60 inches by 80 inches.
- * The quilts should be machine washable.

AFGHANS

Each camper at Victory Junction gets to take home a hand-made afghan as a souvenir from camp.

- * The afghans should be knitted or crocheted with bright, cheerful colors!
Our camper unit colors are blue, green, yellow and red and are great choices for afghans!
- * The afghans should be 35-40 inches wide by 45-50 inches long.

HAND-MADE TEDDY BEARS

In addition to an afghan, each camper will also receive a hand-made camp teddy bear.

- * The bears should be approximately 17 inches in height.
- * The bears should be made of black and white checkered or gingham fabric.
- * We have a standard pattern so that all of the bears are consistent in size and type.
